RESIDENCE "VILLA SUL BRENTA"

A fabulous holiday

RESIDENCE "VILLA SUL BRENTA", Immobili Robert Ferrari

MADONNA DI CAMPIGLIO - For those who love to live inside a work of art, a fairy tale dwelling where dreams exceed reality. Each environment is scenographic and harmonious, full of picturesque and unique details, for those who want a house with a mountain flavor but outside the classic schemes, which excites and warms the heart. Ground floor apartment with large terrace from which to enjoy the view of the Brenta Dolomites and finely furnished tavern suitable for large families or those who like to have guests with whom to share their holiday in the mountains. Two outdoor parking spaces of the property.
